### **Room Rates**

As the Official Hotel of the DP World Tour Championship, Atlantis, The Palm is offering 1 complimentary deluxe guest room per player, valid for 7 nights from Sunday 12<sup>th</sup> November to depart Sunday 19<sup>th</sup> November or Monday 13<sup>th</sup> November to depart Monday 20<sup>th</sup> November.

This room is non-transferable and can be used only for players (and their family). Maximum occupancy of the rooms is 2 adults and 2 children.

Additional charges will apply for those wishing to stay outside the period offered and all guests are to settle their bills direct on departure.

Breakfast (for 2 people) and taxes are included in the offer. In the event we are not informed if there is a second guest staying in the room, breakfast will be charged at AED 155 per person.

The below table details the additional charges that will apply per night for players wishing to upgrade their room...

Room	Ocean	Palm	Imperial Club	Club Floor		
				Terrace Suite	Executive Suite	Regal Suite
Rate	125 <sup>++</sup>	175 <sup>++</sup>	950 <sup>++</sup>	1,450 <sup>++</sup>	1,950 <sup>++</sup>	2,450 <sup>++</sup>

Early check-in requests cannot be confirmed in advance and are subject to availability upon arrival. The Atlantis as always will be very busy during the tournament week and even more so this year due to the Dubai Air Show. As the standard check in time is 15.00hrs, we strongly recommend that if you are arriving in the early hours (as the majority will be on flights from the Nedbank Challenge/Johannesburg) and would like to be able to check-in to your room immediately, that you make your reservation for the night prior to ensure your room is ready upon arrival. This of course will incur a nightly charge should it extend your stay outside of the 7 night complimentary period. Please can you notify us as soon as possible should you wish to do this as late notification may result in a higher rate and potentially having to change rooms!

For friends, family and sponsors there are a limited amount of additional rooms available at a preferential rate based on a first come first served basis. As mentioned above, the hotel will be very busy during the tournament week due to the Dubai Air Show so please book early to avoid disappointment...

- Deluxe room AED 1250++ (room only) per night. Breakfast is charged at AED 155 as and when required. For rooms of double occupancy where 2 breakfasts are required, the rate of AED 1510++ will apply (which includes breakfast) providing we are notified at the time of booking there will be 2 guests.

These rates are only valid for the dates 13-20 November. The ++ is 10% for service charge and 10% for authority fee. A tourism levy of AED 20 per night will also apply. Offer cannot be combined with any other promotion or discount.

If friends, family and sponsors wish to upgrade to a higher category of room type, the same supplement charges will apply as per the table above.

Please note that once confirmed name changes are not permitted. Cancellations of these non-player reservations can be made free of charge up to 21 days prior to arrival at 15.00 hrs (DXB time). Cancellations between 21 - 8 days prior to arrival at 15.00 hrs (DXB time) will be charged 50% of total booking. Bookings cancelled within 7 days prior to arrival at 15.00 hrs (DXB time) will be charged 100% of total booking. Any reduction in room nights may also be charged.

We strongly recommend that bookings are made as accurately as possible as these reduced rates will not be available in the weeks/days leading up to the event and therefore guests will have to pay a more expensive rate for any additional nights (if available). Please note that the hotel's cancellation terms and conditions will be strictly adhered to.

\* Please note that the hotel rates for this event have been negotiated by the tournament promoters/organisers and not by ETTS whose role is purely as a reservations booking agent \*
