**VISA GUIDELINES.**

For all those applying for visas into Dubai for the forthcoming Omega Dubai Desert Classic-2018 to be held between 22<sup>nd</sup> January 2018 to 28<sup>th</sup> January 2018 may we remind you of the following critical requirements which have to be complied with, failing which your entry visa will be rejected by the immigration authorities.

1. Ensure that you have submitted full & correct documentation as listed in the visa application document. Needless to say we will not be submitting applications where full & correct documentation has not been provided.
2. If you have been in Abu Dhabi for the Abu Dhabi HSBC Championship & are leaving the country, please ensure that the Immigration authorities stamp you out & properly record your exit from the country on the Immigration system. You may wish to inform the authorities on departure that you will be applying for a fresh visa almost immediately to allow for your entry to the Omega Dubai Desert Classic. Should this be not done we will be unable to process your visa.
3. Should you have been issued a visa for entry by the Abu Dhabi HSBC Championship & have subsequently decided not to use such visa for any reason, please ensure that such visa issued is cancelled & properly registered on the system. This will need to be done by the sponsor of your visa at Abu Dhabi. If an issued visa is not cancelled, we will be unable to process your visa application
4. The Deadline date of 4<sup>th</sup> **January 2018** has already been issued & we will not accept any visa applications after the deadline as this does not allow us sufficient time to process the documentation & application forms require.
5. Visa processing fee of **AED.400/-** for each visa **MUST** be paid in advance to our company bank account details as mentioned below. No credit cards accepted.

Finally, please appreciate & understand that we can only submit your application. We have no control whatsoever on visa issuance by the Immigration Authorities & we are unable to indicate how much time these visas will take to be issued. Therefore, please do not call requesting for an update on the status of your application. Let me assure you that we maintain a constant follow up but beyond that we are powerless to influence the issuance of a visa.
